

July 2007 Interior Systems International is excited to announce our recent expansion to 1721 Miller Street in La Crosse, WI. The new showroom represents Interior Systems' design conscious vision and displays many Designer Ceiling products. Now operating in two La Crosse locations, Interior Systems is grateful to all those who contributed in the renovation of the new showroom and offices and the continued growth of the business. After over 50 years in the ceiling industry, Interior Systems looks forward to the continued tradition of imagination, integrity, and excellence. **DESIGNER CEILINGS**
